Artisan Crafted

Women Founded

After finding themselves without work, the women of Woadze and Woadze Tsatoe set up a venture of their own. Using the traditional art of Batik, the women create vibrant printed products that spread joy to their customers and spur the economic development of the village.

Community Driven

Vida Zogli

Meet Our Designer

As a key founder of Amenuveve and the first female mayor of Waodze Tsatoe, Vida's determination and entrepreneurial spirit has proven invaluable to the community. Through her many leadership roles, she has uplifted families, empowered women, and provided the village with hope for the future.

Wida encourages every man and woman who works at Amenuveve to be innovative and aspirational. Achieving financial independence as the result of their efforts has given these employees confidence in their own abilities.
